Merchant Presentation

We're simplifying subscriptions & memberships for consumers

Create a subscription with Monthlys and we'll drive new business to you

WHAT WE'RE DOING:

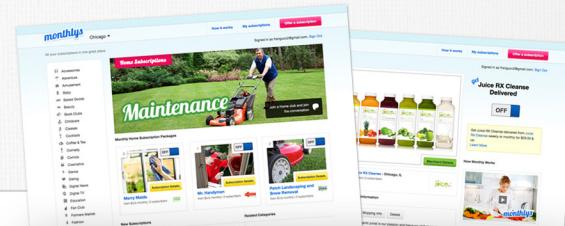

We've created the go-to marketplace for consumers to discover, purchase and manage their subscriptions and memberships.

We'll have your business successfully offering a subscription through our site in no time. If you are already set-up as a subscription business, we will help you grow that customer base and increase your incoming revenue.

How it works:

- 1** Start a new subscription or membership for your business, or list your existing subscription options on Monthlys.com.
- 2** We'll advertise and promote your subscription and make it easy for customers to sign up.

- 3** We give you the tools to make order management, payment processing and fulfilment easy.

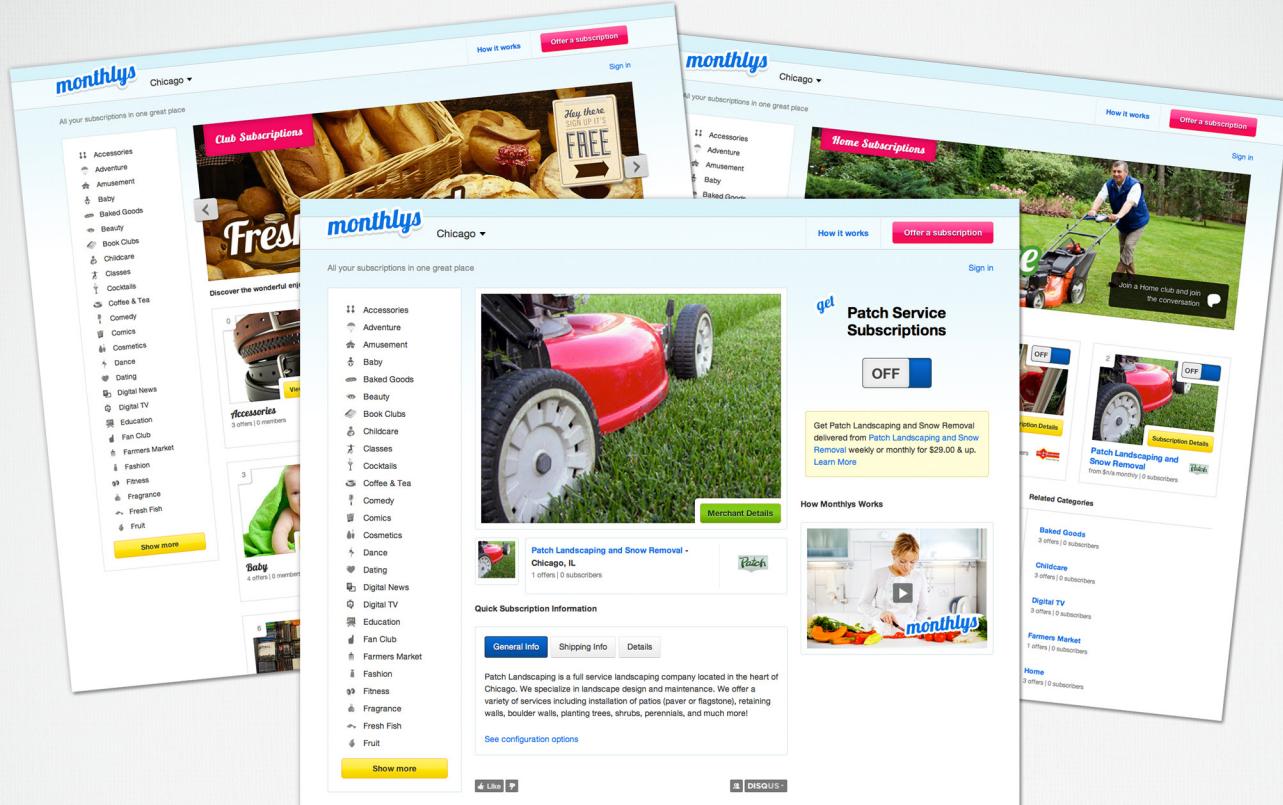

Game Changer

Monthlys is free to join. You control your pricing and discounts. We only get paid when we deliver a paying customer.

Become a strategic partner today!

Learn about the benefits of joining Monthlys.com

From lawncare to freshly baked goods, consumers look to Monthlys.com as the destination for discovering, managing and sharing subscriptions to goods, memberships and services.

Benefits to your company:

- A quick and easy way to add a subscription model to your existing revenue base
- Increase revenue quickly by marketing to the Monthlys' growing database of consumers
- Manage your cash flow more effectively by adding a predictable stream of monthly revenue
- Reduce downtime by strategically managing monthly order flow
- Cost effectively market your products and services to a large database of new and existing customers on a 24/7 basis
- Ability to expand geographically and create brand awareness
- Drive traffic to your locations with creative subscriptions

Manage orders and subscribers

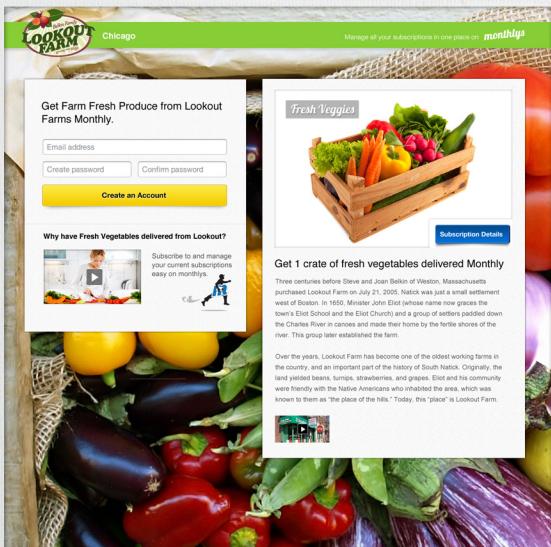

with easy to use reporting, order and user management tools

Download: CSV XML JSON

Displaying all 4 Subscriptions

Name	Is Featured
